Section 125 Plans

Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

Here’s How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you’re already eligible – all you must do is enroll.

Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer’s Section 125 Plan – that’s a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

- IRS specified changes in family status include:
- Change in legal married status
 - Change in number of dependents
 - Termination or commencement of employment
 - Dependent satisfies or ceases to satisfy dependent eligibility requirements
 - Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck		
	Without S125	With S125
Monthly Salary	\$2,000	\$2,000

You could save \$70 per month in taxes by paying for your benefits on a pre-tax basis!

Flexible Spending Accounts

First Financial Administrators, Inc. | www.ffga.com
1.866.853.3539 P.O. Box 161968 | Altamonte Springs, FL 32716

Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2025 is \$3,300.

Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

Dependent Care FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to \$5,000 per tax year for reimbursement of dependent care services.

If you are married and file a separate tax return, the limit is \$2,500.

Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

FSA Resources

Benefits Card

The FFGA Benefits Card is available to all employees that participate in a Medical FSA and/or a Dependent Care FSA. The Benefits Card gives you immediate access to your money at the point of purchase. Cards are available for participating employees, their spouse and any eligible dependents who are at least 18 years old.

The IRS requires validation of most transactions for FSAs. You must submit receipts for validation of expenses when requested. If you fail to substantiate by providing a receipt to FFGA within 60 days of the purchase or date of service your card will be suspended until the necessary receipt or explanation of benefits from your insurance provider is received.

Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

AF™ Short-Term Disability Income Insurance

How would you cover your everyday expenses if you experienced an Injury or Sickness and couldn't work for a period of time? AF™ **Short-Term Disability Income Insurance** provides a steady benefit to cover everyday expenses while you are unable to work due to a covered Disability.

Prepare For the Unexpected

If you've heard of heart attacks, strokes, organ transplants or paralysis, then you're familiar with critical illness. It's likely you or someone you know has experienced one of these life-altering events. Often times, a critical illness has a powerful impact on people's lives, affecting their livelihood and finances.

A critical illness plan can help with the treatment costs of covered illnesses. Benefits are paid directly to you, unless otherwise assigned, giving you the choice of how to spend the money. Plus, there are plans available to provide coverage for you, your spouse and dependent children.

Prepare now for the unexpected with a critical illness insurance plan. The plan helps you focus on getting well rather than worrying about finances. Visit the Employee Benefits Center and view policy for more details.

By your side

Aetna® Critical Illness Plan

Be prepared for what happens next

Critical illness coverage can keep you focused on your health when it matters most. This is extra coverage to help ease financial worries during a stressful time.

What is the Aetna Critical Illness Plan?

The Aetna Critical Illness Plan pays benefits when a doctor diagnoses you with a covered serious illness or condition. For instance, a heart attack, stroke, cancer and more.* You can use the benefits to help pay out-of-pocket medical costs. Or you can use the benefits for everyday expenses.

How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But those plans usually don't cover all of the medical costs or unexpected out-of-pocket expenses that can come with a serious illness.

The Aetna Critical Illness Plan pays benefits directly to **you**. You'll get extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

How can you use the cash benefits?

It's completely up to you. You can put the money towards:

- Deductibles or co-pays
- Mortgage or rent
- Groceries or utility bills

And so much more! Use the benefits any way **you** choose.

Easy to use

Online tools make it easy to manage your plan. File a claim in about 90 seconds or less if you have a covered illness. We will pay benefits directly to you by check or direct deposit.

Insurance plans are offered and/or underwritten by Aetna Life Insurance Company (Aetna) at 151 Farmington Ave., Hartford, CT, 06156. Policy forms issued in Idaho include: GR-96844.

*Refer to your plan documents to see all covered illnesses under the plan.

Did you know?

More than **1 in 3** Americans have heart disease, making it the most expensive health condition in the U.S. at a combined \$555 billion¹.

Less stress

Dan* knows that heart disease runs in his family. And when a heart attack struck, he was thankful he had the Aetna® Critical Illness plan.

He filed his claim online and since he had signed up for direct deposit, his benefits went directly into his bank account. He was able to use the money to help pay his out-of-pocket medical costs and other bills, like his son's day care tuition.

Hospital Indemnity Insurance

Aetna | www.aetna.com | 800-800-8121

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

Less stress

Aetna® Hospital Indemnity Plan

Be prepared for what lies ahead

Maybe you're expecting to have a hospital stay — or maybe not. Either way, it's good to plan ahead. And to give yourself an extra financial cushion.

What is the Aetna Hospital Indemnity Plan?

The plan pays benefits when you have a planned, or an unplanned hospital stay. It can be for an illness, injury, surgery or to deliver a baby. The Aetna Hospital Indemnity Plan pays a lump-sum benefit for admission and daily benefits for a covered hospital stay. You can use these benefits to help pay your part of medical costs or for ongoing bills.

How is this different from a major medical plan?

Medical plans help pay **doctors and hospitals** for services and treatment. But they don't cover everything, including unexpected costs that might result from a hospital stay.

The Aetna Hospital Indemnity Plan pays benefits directly to **you**. So, you'll have extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

How can you use the cash benefits?

It's completely up to you. You can put the money towards:

- Deductibles or co-pays
- Mortgage or rent
- Groceries or utility bills

And so much more! Use the benefits any way **you** choose.

Easy to use

Online tools make it easy to manage your plan. File a claim in about 90 seconds or less if you have a covered hospital stay. We will pay benefits directly to you by check or direct deposit.

Insurance plans are offered and/or underwritten by Aetna Life Insurance Company (Aetna) at 151 Farmington Ave., Hartford, CT, 06156. Policy forms issued in Idaho include: GR-96172, AL VOL HPOL-Hosp 01

Because it happens

\$1.24 trillion was spent on hospital services in 2020. **60%-65%** of all bankruptcies are related to medical expenses¹.

Ready ... or not

Carter* is a hard worker, so he doesn't always slow down to listen to his body. Before he knew it, a little cough turned into pneumonia — and a hospital stay.

Good thing he had the Aetna® Hospital Indemnity Plan. He filed his claim online and, since he had signed up for direct deposit, his benefits went directly into his bank account.

He used the cash to help make up for the earnings he lost from the time he missed work while recovering and to help pay some of his deductible. Now, he can focus more on his health.
