

457(b) Plan Enrollment Instructions

These instructions are for creating and accessing a traditional 457(b) account and/or a Roth 457(b) account.

Traditional 457(b)

This plan automatically deducts part of your salary into the retirement savings plan before taxes are taken out. The money grows tax-deferred until it's withdrawn—then the taxes come due.

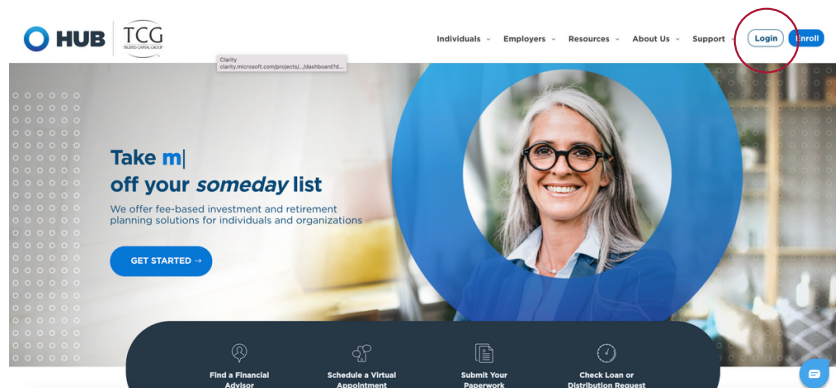

Roth 457(b)

This plan automatically deducts part of your salary into the retirement savings plan after taxes are taken out. The interest and earnings withdrawn from a Roth account are tax-free if the distribution is considered “qualified.”

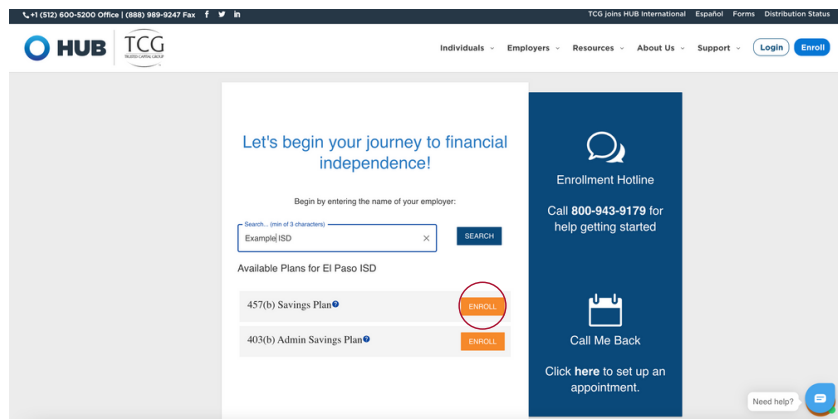

Reminder

You can have both a traditional and a Roth 457(b)—and contribute to one or both at the same time—if allowed by your plan.

1. Go to www.tcgservices.com and click **Enroll**.

2. Type the name of your **Employer** in the search box and click **Enroll** on the **457(b) Savings Plan**.

3. Enter your **Social Security number** to continue.

If the website indicates that “a user name and password already exists,” then proceed with the following steps:

Enter your Social Security Number as the **username**, and your birthday in numerical digits (MMDDYYYY) as the **password**.

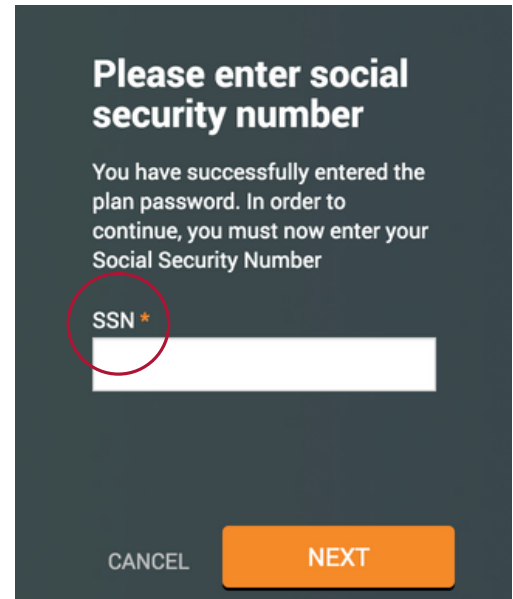

For example:

Social Security number: 123-45-6789
 Birthday: 01/02/1980

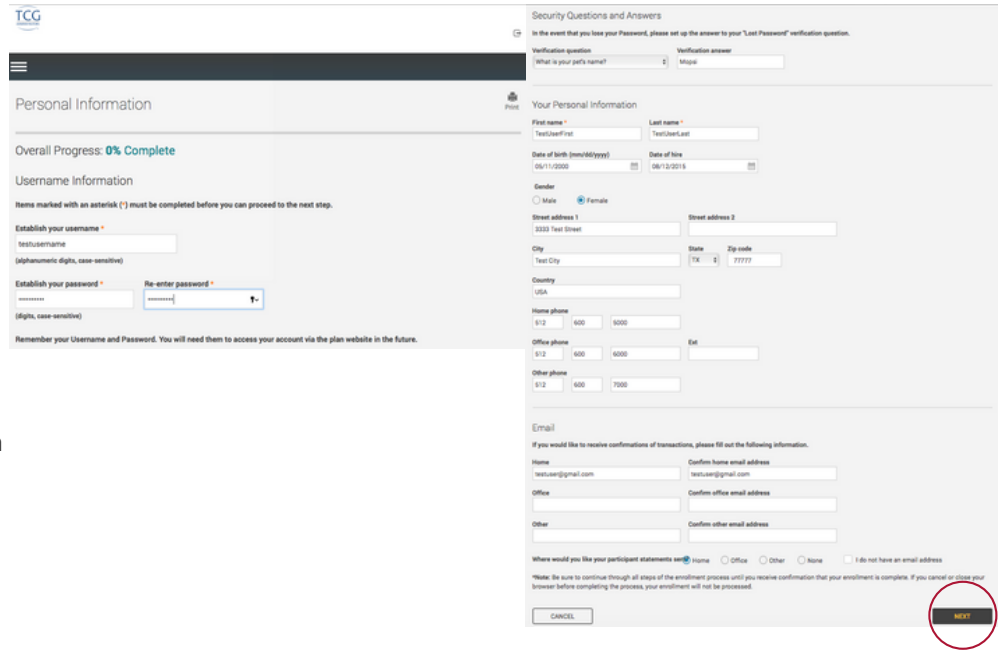

Username: 123456789

Password: 01021980

If you are still unable to login, please call **(800) 943-9179**

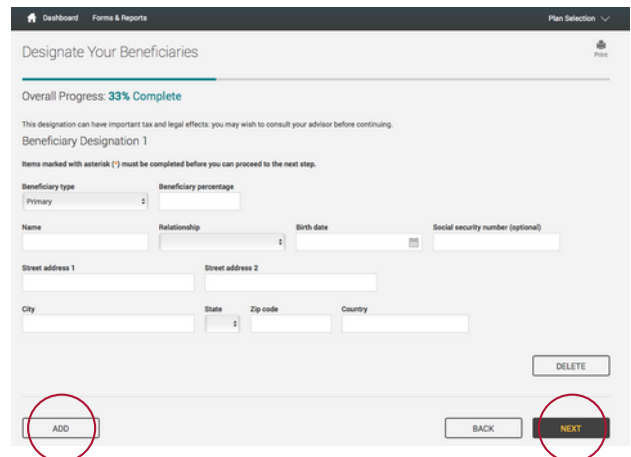

4. Create your Username and Password; enter all personal information; then click **NEXT**.

5. Designate your beneficiaries on this screen. After you insert your Primary beneficiary’s information, click **ADD** to add additional beneficiaries.

Click **NEXT** when you are done.

6. **Contributions**

Make your selection from the drop down box—either the **Pre-Tax** or post-tax **Roth** contribution type.

Enter the contribution dollar amount per pay period. (If allowed by your district, you may select your funds by percentages.)

Click **NEXT**.

Please note that the contribution amount is the amount you want deducted from your paycheck **EVERY** pay period.

Last Web/VPL Contribution		Total
Pre-Tax Deferral		\$0.00 per pay period
Roth		\$0.00 per pay period

Action	Contribution Type	Percent/Dollar	Current Contribution	New Contribution Rate
No change	Pre-Tax Deferral	Dollar	Not contributing	0.00 per pay period
No change	Roth	Dollar	Not contributing	0.00 per pay period

7. Click **All Sources** to reveal the funds available.

I elect to invest all future contributions (including employee and employer contributions) as follows.

- Rules and Criteria
- All Sources

8. Here you will apply the dollar amount (or percentage) of your contribution to the investment(s) of your choice.

Note: The investments available to you will be plan-specific and may not match the screenshot provided in this guide.

Once you are satisfied with your choices and your total at the bottom of the page equals 100%, click **NEXT**.
