DEFINITIONS

Coinsurance means that dollar amount of covered Hospital medical expenses, after Deductible, not payable under the Insured Person's Major Medical/Comprehensive Policy.

Certificate Schedule means the page which gives basic information about the Certificate. It includes such important items as the Policy Number, Effective Date and the Insured Persons.

Deductible means the dollar amount of Deductible that applies to all the covered Hospital medical expenses under the Insured Person's Major Medical/Comprehensive Policy.

Employee means a person employed by the Policyholder and meeting the minimum hourly requirements shown in the Policyholder's application. If the Employer is a proprietorship or partnership, the individual proprietor or each of the partners is an Employee only if engaged in the regular business of the Employer for the minimum hourly requirement shown in the Policyholder's application. No director of a corporate Employer is an Employee solely because of such directorship.

Employer means the Policyholder and includes any division, subsidiary or affiliated company wholly owned by the Policyholder and named in the Policyholder's application.

Home Office means the Company's office located at 3130 Broadway, Kansas City, Missouri, 64111-2406.

Hospital means a legally authorized and operated institution for the care and treatment of sick and injured persons. It must have graduate registered nurses (R.N.) on 24-hour call and organized facilities for diagnosis and surgery either on its premises or in facilities available to it on a contractual prearranged basis.

The following do not qualify as a Hospital: an institution, or part of it, which is used mainly as a facility for rest, nursing care, convalescent care, care of the aged, or for remedial education or training.

Hospital Confined/Hospital Confinement means the Insured Person is admitted to the facility as an overnight bed patient for a minimum of 15 consecutive hours.

Immediate Family means an Insured or an Insured Person's spouse, parent, child, grandparent, brother, sister, in-law or any person residing in the Insured Person's home.

Injury means bodily Injury sustained by an Insured Person caused by an accident, directly and independently of all other causes, that occurs while the Policy is in force. All Injuries sustained by an Insured Person in any one accident are considered a single Injury.

Insured Person means either an Insured or an Insured Dependent. An **Insured** is an Employee of the Policyholder whose coverage under the Policy has become effective and has not been terminated. **Insured Dependent** means any of the following:

- (a) the spouse of an Insured whose coverage under the Policy has become effective and has not terminated; and
- (b) the unmarried dependent child or children of an Insured or of an Insured's spouse who are under 19 years of age (24 if a full-time student) and whose coverage under the Policy has become effective and has not terminated. Dependent children include stepchildren, legally adopted and foster children.

Major Medical/Comprehensive Policy means any one of the following types of policies or plans which provide benefits for Hospital Confinement for an Insured Person on his or her effective date of coverage, and such policy or plan requires the Insured Person to pay a Deductible and/or portion of Coinsurance: group or blanket insurance plans; group Blue Cross, Blue Shield, or other group prepayment coverage plans; coverage under labor-management trustee plans, union welfare plans, employer organizational plans, employee benefit organizational plans, or other arrangements of benefits for persons of a group. "Major Medical/Comprehensive Policy" does not include Medicare or Medicaid.

Medically Necessary means that a service or supply is necessary and appropriate for the diagnosis or treatment of a Sickness or Injury based on generally accepted current medical practice. A service or supply will not be considered Medically Necessary if:

- (a) it is provided only as a convenience to the Insured Person or provider;
- (b) it is not appropriate treatment for the Insured Person's diagnosis or symptoms;
- (c) it exceeds (in scope, duration or intensity) that level of care which is needed to provide safe, adequate and appropriate diagnosis or treatment; or
- (d) it is part of a plan of treatment that is experimental, unproven or related to a research protocol.

The fact that a Physician may prescribe, order, recommend or approve a service or supply does not, of itself, make the service or supply Medically Necessary.

Policyholder means the Employer in whose name the Policy is issued, as shown in the Certificate Schedule.

Physician means a qualified licensed Physician other than an Insured Person or a member of his or her Immediate Family. Physician includes all providers of medical care and treatment to the extent that they are licensed to perform services provided in the Policy. This includes, but is not limited to, medical doctors, chiropractors, chiropractors, dentists, optometrists, osteopaths, podiatrists and psychologists.

Pregnancy means a Pregnancy which is terminated by childbirth, other than an elective cesarean section, or an elective abortion.

Complications of Pregnancy means:

- (a) a condition which, while affected by Pregnancy, is still classed by accepted medical standards as a Sickness, disease or Injury apart from the normal bodily changes that accompany Pregnancy;
- (b) a non-elective cesarean section;
- (c) an extrauterine or ectopic Pregnancy; or
- (d) a spontaneous termination of Pregnancy during a period of gestation in which a viable birth is not possible.

Sickness means a disease or illness, or more than one disease or illness, resulting from the same or related causes or conditions, including all complications thereof and all related conditions and recurrences resulting in medical expense insured under the Policy or otherwise resulting in a claim for benefits while the Policy is in force with respect to the Insured Person for whom the claim is made.

We means Fidelity Security Life Insurance Company. **Us, Our, Ours** and the **Company** also refers to Fidelity Security Life Insurance Company.

You, Your and **Yours** means the Insured.

ELIGIBILITY AND EFFECTIVE DATE

An Employee's coverage will be effective as of the first of the month following approval of an eligible person's, as defined in the Policyholder's Application, individual application and payment of the first premium. In no event will coverage for any person become effective prior to the Effective Date of the Policy.

Newborn children, adopted children or children placed for adoption will be covered on their date of birth, adoption or placement for adoption for a period of 31 days. If, during this 31 days, the Insured notifies the Company in writing and pays any premium that may be due, coverage will continue. If notification and premium payment is not received within the first 31 days after birth, adoption or placement for adoption, evidence of insurability will be required and the Pre-Existing Condition Limitation, if any, will apply.

A congenital defect or birth abnormality of a newborn child which requires Hospital Confinement will be considered a Sickness.

LATE ENROLLEES

If You do not apply for coverage on Your initial eligibility date, You may not apply for coverage for Yourself and/or any dependents until the next Policy Anniversary Date.

BENEFITS

Upon notification to the Company of entering the armed forces of any country, the Company will return to the Insured pro rata any premium paid, less any benefits which have been paid, for any period during which the Insured Person is in such service;
- (d) confinement in a Hospital or other covered treatment provided in a facility operated by an agency of the United States government or one of its agencies, unless the Insured Person is legally required to pay for the services;

- (l) any Hospital Confinement or other covered treatment for Injury or Sickness if, on the Insured Person's effective date of coverage, the Insured Person was not covered by a Major Medical/Comprehensive Policy, the Company's sole obligation will then be to refund all premiums paid for that Insured Person; and

1. The definition of **Insured Person** in the **DEFINITIONS** section is deleted in its entirety and replaced with the following:

Insured Person means either an Insured or an Insured Dependent. An **Insured** is a Member of the Policyholder whose coverage under the Policy has become effective and has not been terminated. **Insured Dependent** means any of the following:

- (a) the lawful spouse of an Insured whose coverage under the Policy has become effective and has not terminated; and

2. The **LIMITATIONS** section is deleted in its entirety and replaced with the following:

Pregnancy. Hospital Confinements due to Pregnancy, are payable if the Pregnancy is payable under the Insured Person's Major Medical/Comprehensive Policy.

Benefits for Pregnancy under this provision are limited to an Insured or an Insured Dependent spouse.

3. The exclusion that reads "alcoholism, drug addiction or complications thereof" in the **EXCLUSIONS** section is deleted in its entirety.
4. Number (3) in the **TERMINATION OF COVERAGE** section is deleted in its entirety and replaced with the following:
 - (3) As to Insured Dependent children on the premium due date following the date the child ceases to be an eligible child.

If a mental or physical handicap prevents an unmarried Insured Dependent child from self-support when he or she reaches the termination age, he or she may remain as an Insured Person under the Policy. Proof of such incapacity and dependency must be furnished to the Company within 31 days of the child's attainment of the termination age. Proof may be required by the Company, but not more frequently than annually after the two-year period following the child's attainment of the limiting age. Coverage will continue as long as coverage remains in force and the Insured Dependent child is incapable of self-support.

5. The last sentence of the **TERMINATION OF COVERAGE** section is deleted in its entirety and replaced with the following:

Termination of the insurance of any Insured Person will be without prejudice to any Hospital Confinement or other covered treatment for Injury or Sickness that begins before the date of termination.

PAYMENT TO THE TEXAS DEPARTMENT OF HUMAN RESOURCES

In the event that the Texas Department of Human Resources is paying benefits on behalf of an Insured Person, the Company will pay benefits under the Policy for the Insured Person to the Texas Department of Human Resources.

IMPORTANT INFORMATION ABOUT COVERAGE UNDER THE TEXAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION (For insurers declared insolvent or impaired on or after September 1, 2011)

Texas law establishes a system to protect Texas policyholders if their life or health insurance company fails. - Residents of other states, **ONLY** if the following conditions are met:
 1. The policyholder has a policy with a company domiciled in Texas;
 2. The policyholder's state of residence has a similar guaranty association; and
 3. The policyholder is *not eligible* for coverage by the guaranty association of the policyholder's state of residence.
