Portable, Permanent, Individual Life Insurance for Employees and Their Families

As an employee, you can apply for valuable life insurance protection on you and your family under eligibility guidelines established for your employer. Your employer has conveniently agreed to permit you to pay premiums through payroll deduction. This is a summary only. Policy provisions prevail. This brochure is not a contract or an offer to contract.

Minimal Cash Values Buy this policy for its life insurance protection, not its cash value. The primary benefit is life insurance. Payment of the Table Premium produces a small cash value (Benchmark Cash Value).

Permanent Life Insurance Coverage Unlike group term life insurance, PureLife-plus is a personally owned, permanent individual life insurance policy to age 121 that can never be canceled or reduced as long as you pay the necessary premiums, even if your health changes.

Guaranteed Period Continuous, timely, and uninterrupted payment of the Table Premium guarantees coverage for the Guaranteed Period shown. Texas Life (We) cannot legally predict the premium required to continue coverage after the Guaranteed Period. It may be lower, the same, or higher than the Table Premium. However, if the premium to continue coverage is ever higher, We guarantee a limited right to a partial refund of premium (described below).

Guaranteed Limited Right to Partial Refund of Premium If a premium higher than the Table Premium is ever required to continue coverage after the Guaranteed Period, you have the choice to:

- a. Pay the higher premium(s) required to continue coverage; or,
- b. Surrender the policy and receive a partial refund of premium equal to 120 times the minimum monthly premium due at issue (ten years worth of Table Premium). You are eligible for this refund if the actual cash value equals or exceeds the Benchmark Cash Value and you have taken no prior partial surrenders.

Portable Once issued, continued employment is not a condition to continue coverage. Coverage is guaranteed as long as required premiums are paid, even after you retire or terminate employment. When employment ends, you can pay equivalent monthly premiums directly or by bank draft (for monthly direct payments we add a monthly fee not to exceed \$2.00). Other modes are available.

Accelerated Death Benefit Due to Terminal Illness Rider This policy includes, at no additional premium, an Accelerated Death Benefit Due to Terminal Illness Rider (Form ICC07-ULABR-07). See details on next page.

Individual and Family Coverage is Easy to Apply For Subject to age and amount restrictions, you may apply for an individual policy on your life or your spouse's life (see chart next page for spouse's minimum/maximum amounts). An individual policy is also available on each of your children ages 15 days — 26, and even on each of your grandchildren ages 15 days — 18. (You may cover children ages 18 and younger under the Child Term Life Insurance Rider in lieu of individual policies). Proof of insurability is required. Most policies are issued based upon the answers to three work and health related application questions.

Child Term Life Insurance Rider In lieu of an individual policy on

each child, if the primary insured is age 59 or less you may apply for a Child Term Life Insurance Rider for \$10,000 (add \$5.00 for \$10,000 of coverage). It insures the primary insured's children and step-children who are ages 15 days through age 18 at the time of the application. Children thereafter born to or adopted by the primary insured are covered 15 days after birth. Coverage continues to age 25. Coverage terminates at the primary insured's age 65. Coverage on a step-child ceases upon the primary insured's divorce from the step-child's natural or adoptive parent. If the primary insured dies, coverage is paid-up to the earlier of the insured child's age 25 or the Contract Anniversary Date on which the primary insured's Attained Age would have been 65. (Form ICCO7-ULCL-CIR-07).

Optional Benefits According to the guidelines established for your employer, your application will include the following benefit for an additional cost depending upon your issue age.

Accidental Death Benefit This benefit to age 65 (Issue Ages 17-59) doubles the coverage when death occurs by accidental bodily injury within 90 days of an accident. Maximum in-force limits and exclusions apply. (Form ICCO7-ULCL-ADB-07).

Accelerated Death Benefit Rider For Chronic Illness For Employee Only This benefit provides an accelerated death benefit if an insured becomes chronically ill as defined in the rider. (Form ICC15-ULABR-CI-15). See details on next page.

Interim Insurance: Interim insurance will be in force on the application date if these conditions are met: (1) the insurance is purchased through payroll deduction; (2) the Salary Deduction Authorization is signed; and, (3) the proposed insured is insurable at standard rates under Our rules and usual practice. Interim insurance remains in effect until the earlier of: (a) the Policy Date; (b) the date We decline the application; (c) the date We notify the applicant that s/he is ineligible for interim insurance; or, (d) the 180th day after the application date. In Kansas, clauses (3) and (d) do not apply, and clauses (b) and (c) apply only when We refund all premiums.

Policy Mechanics and Other Important Details Premiums are flexible. However, we highly recommend payment of the Table Premium during the Guaranteed Period, and no partial surrenders or policy loans. Table Premium produces a small cash value (Benchmark Cash Value). Paying a lesser premium results in an actual cash value which is less than Benchmark Cash Value, causing the policy to lapse. Premiums less a premium load create cash value to pay monthly administrative loads and cost of insurance. Cash value is currently credited the quaranteed interest rate of 4.00% per annum. We may, at any time, credit higher than the guaranteed interest rate. Likewise, We may charge cost of insurance rates which are less than the policy's maximum rates, but only when actual cash value equals or exceeds Benchmark Cash Value. No surrender charges apply. Loads include 4.00% of premium, \$ 1.50 per month and monthly administrative loads. Two year suicide and contestable clauses apply (one year suicide clause in Colorado). The policy loan rate is 7.40% in advance. Surrenders and loans may be deferred for up to six months.

IMPORTANT NOTICES | PLEASE READ THE FOLLOWING NOTICES REGARDING ACCELERATED DEATH BENEFITS

Important Notices Tax laws related to the acceleration of life insurance benefits are complex. The information presented below is a general description. You should consult a qualified tax or legal advisor to determine the effect of receiving this benefit. Texas Life Insurance Company and its agents do not provide tax or legal advice.

Receipt of any accelerated death benefit under your policy may affect your, your spouse's and your family's eligibility for medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), Supplemental Social Security Income (SSI), and drug assistance programs. You should consult a qualified tax or legal advisor and the relevant social service agencies to determine how receiving the benefit may affect your, your spouse's and your family's eligibility for public assistance.

An accelerated death benefit is not a long term care insurance. The following is a general description of any accelerated death benefit under your policy. Your policy and riders contain certain exclusions, limitations, and exceptions. Please refer to your policy and riders for details. The right to accelerate benefits under any accelerated death benefit does not extend to any Child Term Life Insurance Rider. However, if the accelerated death benefit under any rider is paid, any Child Term Life Insurance Rider on the policy becomes paid-up term insurance as if the insured had died. Payment under any accelerated death benefit rider terminates the policy and all other optional benefits/riders and reduces all insurance proceeds, cash values and loan values to zero.

Accelerated Death Benefit Due to Terminal Illness The policy includes an Accelerated Death Benefit Due to Terminal Illness Rider (Form ICCo7-ULABR-o7). If the insured has a terminal illness, you may elect to claim an accelerated benefit while the insured is still alive in lieu of the insurance proceeds otherwise payable at death. The single sum benefit is 92% of the insurance proceeds less an administrative fee of \$150. Terminal Illness is an injury or sickness diagnosed and certified by a qualifying physician that, despite appropriate medical care, is reasonably expected to result in death within 12 months.

The Accelerated Death Benefit Due to Terminal Illness Rider is intended to qualify for favorable income tax treatment. The benefit will not be subject to federal income tax.

Accelerated Death Benefit Due to Chronic Illness-- FOR EMPLOYEE ONLY
The policy includes an Accelerated Death Benefit Due to Chronic Illness Rider (Form ICC15-ULABR-CI-15). If the insured has a chronic illness, you may elect to claim an accelerated benefit while the insured is still alive in lieu of the insurance proceeds otherwise payable at death. The single sum benefit is 92% of the insurance proceeds less an administrative fee of \$150. Chronic Illness means the Insured permanently: (a) is unable to perform, without substantial assistance from another individual, at least two Activities of Daily Living due to a loss of functional capacity and will need services for the rest of his or her life; or (b) requires substantial supervision to protect the insured from threats to health and safety due to severe cognitive impairment and will need services for the rest of his or her life. Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe cognitive impairment means deterioration or loss in intellectual capacity that: (1) places the insured in jeopardy of harming himself or herself or others, and therefore, the insured requires substantial supervision by another person; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (1) short or long term memory; (2) orientation to people places or time; and (3) deductive or abstract reasoning.

The Accelerated Death Benefit Due to Chronic Illness will be calculated and paid as a lump sum only. This lump sum is intended to serve as a per diem accelerated death benefit as described under Section 101(g) of the Internal Revenue Code ("IRC"). You may be able to exclude certain portions of this accelerated death benefit (specifically the greater of: (a) the lump sum equivalent of the per diem amount; or (b) the actual costs incurred for Services provided in the year the Accelerated Death Benefit is paid from your taxable income). Your Accelerated Death Benefit will be calculated in accordance with the rider and you may, in some circumstances, be paid more than the excludable per diem amount.

This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS

Are they affordable?

Could they change?

You're older-are premiums higher for the proposed new policy?

How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES

New policies usually take longer to build cash values and to pay dividends.

Acquisition costs for the old policy may have been paid, you will incur costs for the new one.

What surrender charges do the policies have?

What expense and sales charge will you pay on the new policy?

Does the new policy provide more insurance coverage?

INSURABILITY

If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.

You may need a medical exam for a new policy.

Claims on most new policies for up to the first two years can be denied based on inaccurate statements.

Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY

How are premiums for both policies being paid?

How will the premiums on your existing policy be affected?

Will a loan be deducted from death benefits?

What values from the old policy are being used to pay premiums?

FORM: 10M042

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST-SENSITIVE LIFE PRODUCT

Will you pay surrender charges on your old contract?

What are the interest rate guarantees for the new contract?

Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL REPLACEMENTS

What are the tax consequences of buying the new policy?

Is this a tax free exchange? (See your tax advisor.)

Is there a benefit from favorable grandfathered treatment of the old policy under the federal tax code?

Will the existing insurer be willing to modify the old policy?

How does the quality and financial stability of the new company compare to the present company?

This will help us decide eligibility for insurance from us and what we should charge for it. We may also ask a consumer reporting agency for a "consumer report" about you (or anyone else to be insured). Consumer reports may tell us about a lot of things, like:

— Work and work history — Mode of living — Finances — Reputation — Dangerous sports activity — Driving record

If we ask an agency for an "investigative" report about you - which means that they will ask others about you - we will ask them to contact you as well. The information may be kept by the consumer reporting agency and given to others as permitted by law. The agency will give you a copy of the report it provides to us, if you ask the agency and can provide adequate identification. If you write to us, we will tell you if we have asked for a consumer report about you, and give you the name, address and phone number of the consumer reporting agency.
