

Getting Started with Your LucyRx Benefit

Here's how to start using your benefit and access support:

- 1 Check your ID card**
Look for the LucyRx logo on the prescription insurance card you received to confirm your prescription coverage. If you're unsure, ask your employer or contact our 24/7 Prescription Care team.
- 2 Show your card at the pharmacy**
When filling a prescription, show your insurance card at the pharmacy so they can process your coverage correctly.
- 3 Register online**
Visit www.lucyrx.com/members to create your digital account and view your plan details.
- 4 Download the app**
Use the LucyRx app (available in the App Store and Google Play) to manage your prescriptions anytime, anywhere.

**We're proud to be on your care team.
