 - Remember your Password as you will use this to sign your enrollment confirmation form and to login in the future.

USEFUL INFORMATION

Please note that major medical enrollment this year is passive. This means that if you miss the open enrollment window, for whatever reason, you will **not** lose your current coverage for the new plan year starting September 1, 2026.

However, you must login if you choose to make changes or decline medical coverages by August 14, 2026.

After enrollment is completed, no changes will be allowed until the next annual open enrollment period (unless you have an IRS S125 approved event).
