

Understanding your vision benefits just got easier

Introducing the Vision Cost Estimator¹

You deserve the best possible benefits experience. That's why MetLife Vision created an easy way to help you estimate costs, make informed enrollment decisions and learn more about vision benefits.

A guided experience

You can use the online Cost Estimator Tool anytime to learn more about eye care options and their estimated in-network cost.

Simple questions

The guided experience takes you through a handful of questions about your eye care, vision needs and eyewear preferences. There's no need to set up an account or share personal information.

Instant answers

In a minute or less, you can get an estimate of your out-of-pocket costs¹ and see your potential savings.²

Get an estimate of costs with and without coverage¹

Estimated Costs
 Based on your selection, this is an estimate of your potential out-of-pocket costs. Actual costs will vary based on the recommendations from your eye doctor, plan design, and optional upgrades.

	Estimate With Coverage	Estimate Without Coverage
Eye exam	\$0	\$125
Frames	\$0	\$150
Standard Single Vision	\$0	\$80
Ultraviolet Coating	\$12 - \$15	\$20
Total Out-of-Pocket Cost	\$12 - \$15	\$375

You might save between \$360 and \$363 on your visit by having a vision care plan!

Please note: A current prescription is needed in order to purchase glasses or contact lenses.
¹Costs and amounts shown are for glasses only and should not be relied upon as the actual costs for specific vision care services. Actual costs may be higher or lower and may vary based on your plan design and optional upgrades. Actual costs are subject to change based on your savings, benefits, and authorization for services. This information presented does not include deductibles, copayments, coinsurance, or other costs. Please refer to your plan documents for more information.

1. Costs and amounts shown are for guidance only and should not be relied upon as the actual costs for specific vision care administration services. The estimated costs may be higher or lower as they are calculated based on national average cost and frequency data with an understanding of provider networks. These costs are not intended to reflect your exact costs for services and are subject to change based on your coverage, benefits, and authorization for services. The information presented does not indicate medical advice, actual costs, guarantee of payment, prior approval for services, or judgment of a claim. If you have a vision plan, be sure to review your plan's current Schedule of Benefits for your specific coverage details.
2. Your actual savings from enrolling in a vision plan will depend on various factors, including the plan chosen, plan premiums, number of visits to an eye care professional by your family per year, and the cost of services and materials received. Be sure to review the Schedule of Benefits for your plan's specific benefits and other important details.

Vision benefits are underwritten by Metropolitan Life Insurance Company, New York, NY. Certain claims and network administration services are provided through: Davis Vision, Inc. ("Davis Vision"), a New York corporation; Superior Vision Services, Inc. ("Superior Vision"), a Delaware corporation; or Vision Service Plan (VSP), Rancho Cordova, CA. Davis Vision and Superior Vision are part of the MetLife family of companies. VSP is not affiliated with Metropolitan Life Insurance Company or its affiliates. Like most group benefit programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods and terms for keeping them in force. Please contact MetLife or your plan administrator for costs and complete details.

VSP is a registered trademark of Vision Service Plan.
